*A cancellation fee equivalent to 50% of the fee for the services to be provided at an appointment will be charged if clients do not attend without giving at least 24 hours notice of cancellation.*

*If clients are more than 15 minutes late, their appointment may have to be moved or cancelled at Doctor's discretion so as not to delay other clients, this incurring a cancellation fee, at the discretion of FarleyMed.*

*Note: Fees for blood analysis and other pathology investigations are based upon the variable charges made by the Laboratory undertaking these tests including packaging, couriering, and a service charge to FarleyMed for taking these samples. These tests are not included in the cost of consultation.*
